Sydney Port Congestion Surcharge

Dear Customers,

Due to the Protected Industrial Action that commenced on the 4th of September (see previous news alert [here](#)), port of Sydney is experiencing congestion, which is impacting Sydney Terminals productivity.

Shipping line MSC has had to apply a Congestion Surcharge to maintain the level of service required. View notice [here](#).

Unfortunately Stockwell International has no choice but to pass this cost on.

The Congestion Surcharge of **USD 300** per TEU will apply to the following:

- Import cargo: for vessel arrival on the **14 September** and onward
- Export cargo: from blading date **14 September** and onward
- For Import cargo from U.S: from cargo possession on **8 October**
- For Export cargo to U.S.: from cargo possession on **8 October**

Stockwell International is following the situation closely and will inform you with any new and relevant information as we receive it.

For any questions please contact your sales representative on sales@stockwells.com.au or 1300 786 468.

Customer Feedback

If you have any issues you would like to resolve or feedback in general, good or bad, please send an email to feedback@stockwells.com.au. This goes directly to Angela Gambell (Director) for immediate action.
